

Curriculum Map: Autumn Term 2

English
In English, we will begin by reading and exploring a letter from Draco the Dragon. We will use clues from the letter to learn about his character, feelings and adventures, before writing our own letters.

Maths
We will continue to develop our addition and subtraction skills before moving on to learn about money and shape. Through our mental Maths lessons, children will continue to develop their recall of number bonds,doubles and halves and basic number skills.

Science
In Science, we will be continuing to learn about animals including humans. We will be focussing our learning around healthy living including the importance of a balanced diet and exercise.

History
Our History lessons this half term will be based on the enquiry 'What do castles tell us about people's lives in the past?' We will research why castles were built, who lived in them and learn about their key features and purpose.

Topaz Class

Computing
This half term, we will be learning how to use digital devices for photography. We will explore what makes a good photo and also at how to use basic editing tools.

RE
In RE, we will focus our learning around Why do Christians believe God gave Jesus to the world?

Music
In Music we will sing songs together and develop an understanding of dynamics and tempo.

French
In French this half term we will continue to learn about songs and rhymes.

Art
In Art this half term we will focus our learning on the work of Denzil Forrester. We will develop our drawing skills and produce our own works of art in his style.

PSHE
In PSHE we will learn about everyday safety and develop some basic first aid skills as well as focussing on British Values.

PE
Our Pe lessons will be focussed on bat and ball skills which we will put into practice whilst playing cricket.
We will also be developing our balance and agility skills focusing on jumping, landing and seated balance.
