

PET PE Subject Leaders (Working Document)

Through the support of your schools a programme of events have been put together to extend the range of provision, opportunities and CPD on offer. Using the number of YST training days that have been provided by joining as Full Primary member schools across for the PET PE Primary Schools.

The workshops / events included in this programme have been arranged from the results of the initial audit carried out in Sept/Oct with HTs and Subject Co-ordinators. The schedule below is designed to show you what opportunities have arisen and coming up in the summer term.

Across the country schools are now developing more clusters pooling their PE Premium as the best example to utilise the funding. Ofsted have been very interested in partnerships that have been developed in recent inspections, ensuring that the funding is being utilised.

Any additional projects or CPD that staff would like to see in place then please get in contact. Now moving into our 2nd year we are looking to continue to develop the PET PE with the funding now guaranteed until 2020.

Please remember not everything needs to be completed for your school, but is made available to your school. Something's will obviously be completed by all schools e.g. YST modules, Me and My Lifestyle

ENSURE PE AND SPORT IS DISPLAYED ON YOUR SCHOOL WEBSITE

Who	Event	Date & Time	Venue	Action	✓ / X
