DEPARTMENT FOR EDUCATION VISION FOR THE PRIMARY PE AND SPORT PREMIUM

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The PE and Sports Premium funding has been provided to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. At Gulval School our aim is to ensure that the focus of spending leads to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

At Gulval School our aim is to see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

DEPARTMENT FOR EDUCATION GUIDANCE ON HOW TO USE THE PE AND SPORTS PREMIUM FUNDING

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that at Gulval School our aim for the PE and Sports Premium is to:

- develop or add to the PE and sport activities that Gulval School already offers
- make improvements now that will benefit pupils joining the school in future years

For example, funding at Gulval School could be used to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competitions
- increase pupils' participation in the School Games
- run sports activities with other schools
