Dear Families,

Penzance Beat the Street

Beat the Street is a free, fun, walking, cycling and wheeling game that's coming to Penzance from 25th March 2026 and running until 6th May 2026!

Beat the Street is being delivered by Active Cornwall as part of **Let's Go**, a new local campaign that we're trialling in partnership. **Let's Go** is all about helping communities shape what this social movement looks like, deciding what activities and ideas matter most to them.

Your child will be bringing home a **Beat the Street** card for themselves and for you as well as a physical map of where the Beat boxes are located around the town.

When you receive your card, it's really important that you complete the **short survey**. Not only will this give you a chance to be entered into a prize draw, but it also helps Active Cornwall better understand the area and apply for additional funding in Penzance. This funding could go towards projects like skateparks, improved green spaces, or whatever the community feels is most needed.

You can also download the app from the app store on any smartphone, just search for "Beat The Street"

You and your child will then earn points for our school team with an opportunity to win prizes each week.

We would love to see photos of you all taking part, please either send them in to info@activecornwall.org or tag Active Cornwall on social media using the handles below and the hashtag **#LetsGoPenzance**
