

Curriculum Map: Summer Term 1

English

In English this half term, we will be learning the story of Pirate Tom and exploring characters before writing our own amazing journey stories.

Maths

In our daily Maths lessons, we will learn about time and shape as well as recapping methods to develop accuracy when answering arithmetic questions and strategies to support problem solving using the four operations.

Science

In Science, we will continue to look at living things and their habitats. We will be looking carefully at classification and will also explore food chains.

PE

In PE, we will be focussing on developing our ball skills and using sending and receiving in different game situations.

In Real PE, we will continue to develop skills linked to co-ordination and agility.

Topaz Class

Computing

This half term, we will be developing our understanding of how to create digital music. We will explore how the music makes us feel whilst creating different rhythms and patterns using percussion instruments and digital tools.

Music

In Music children will explore a variety of musical styles, instruments, and rhythms from around the world. Lessons culminate in a performance of **"Hands, Feet, Heart"** with instrumental accompaniment.

History

In History, we will be looking at the meaning of a 'significant individual' and will be comparing Sir Humphrey Davy and the Wright brothers.

RE

In RE we will focus our learning around 'How important is the prophet Muhammad to Muslims?'

DT

In DT, we are looking forward to learning how to sew a running stitch. We will plan, design and make our own pouches.

PSHE and RHSE

In PSHE, we will be learning about online friends and how to deal with 'Big feelings' and in RHSE we will learn about body parts.
