

Curriculum Map: Summer term 1

English

In English, we will be learning the story Jack and the beanstalk and will be learning the structure of a defeating the monster tale.

Geography

In Geography, we will be learning all about our local area. We will be comparing rural and urban areas and learn how to recognise symbols on a map.

Music

In Music, we are learning about sound and pictures. We will be creating pictures and symbols to represent sounds, creating musical stories.

Maths

In Maths, we will be learning how to count in 2s, 5s and 10s. We will use this knowledge to find doubles and equal groups. Later in the term, we will be learning about fractions.

Citrine Class

PSHE

In PSHE, we will be learning all about why we have some good feelings and some not so good feelings.

RSHE

In RHE, we will be learning about different types of families and who to ask for help.

Science

In Science, we will be identifying and naming different trees and plants. We will be learning the key features and structures of plants and flowers. We will investigate different types of trees too.

Computing

In computing, we will be using a computer to create and change text. We will learn how to use a keyboard and identify tools to change the look of our writing.

RE

In RE, we will be learning all about Shabbat and why it is important to Jewish children.

DT

In DT we will be exploring mechanisms to make a moving picture. We will also be exploring textiles, learning how to make a puppet.
