

Curriculum Map: Autumn Term 1

English

We will be immersed in high quality stories, rhymes and non-fiction texts. We will begin to practice writing our names and will be introduced to Read Write Inc phonics.

Maths

We will be exploring the basic principles of number, shape, space and measure with lots of opportunities to apply this within our provision. We will be singing plenty of number related songs and rhymes to practice our counting.

Understanding the World

We will be discussing how we have changed since we were babies and the people who are special to us. We will also compare different families and explore how people show kindness around the world.

Communication and Language

This will be developed through high quality interactions, daily group discussions, circle time, stories and singing. Children will be encouraged to talk about their lives, families and to ask each other questions as we settle in.

Ruby Class

All about me

Personal, Social and Emotional Development

We will be learning to see ourselves as valuable individuals and discussing our hopes and dreams. We will be learning about class rules and routines and will be supported in building relationships.

Expressive Arts and Design

We will be exploring all the different ways of expressing ourselves through role play, singing, crafts, and painting. We will create self portraits using a range of materials such as junk modelling and transient art.

Physical Development

We will be practicing good posture for sitting and getting into routines with handwashing and personal hygiene. We will explore different ways of moving and will work on our fine motor skills through cutting, threading, weaving and using the playdough.
